**Passages**

Sadly, SAA has again lost one of its treasured long-time members.

Anne Hill, keen Board Member, and champion volunteer whenever there was much work to be done, passed away in May 2022.

Anne's art -specialty was often to be found in her exquisite renderings of wildlife subjects, as seen in *Egret (pictured right)*

Anne's enthusiasm, talent, and cheery nature will be very dearly missed.

**On a Cheerier Note:**

A group of SAA members enjoyed yet another rewarding and enjoyable day of *En Plein Air* instruction, led by Chuck Prudhomme, in a workshop held at the ever-inspiring Lake Siskiyou locale. Once again, sincere thanks to Chuck for his time and expertise.

***Chuck- Please come again!***

Members- please make your suggestions for future workshops known!
