Who? What? When? And... what to do?

Critique by Sean Kenny on Sunday, April 19th

This Sunday bring in one piece of art that hasn't been critiqued before, either finished or unfinished.

Sean Kenny has a Bachelor of Fine Arts from the School of the Art Institute of Chicago and a Master of Fine Arts from Virginia Commonwealth University. He has taught art at the University of North Carolina and Virginia Commonwealth University, and College of the Siskiyous, where he taught painting, ceramics, life drawing and art history.

A contemporary artist, Sean works with the formal and abstract in ceramic and oil. Intrigue by words, mathematics, visual textures, and patterns, Sean's current artworks are reduced, distilled, and abstracted interpretations that become a visual essence of his original inspiration.

Voter's Favorites from March Meeting

Creativity has its rewards. And one of those rewards is being chosen as a "Voter's Favorites" from the previous month's meeting. Last month's favs were pieces by fellow artists Howard Jones, Kathie Matthews and Barbara Soule'.

Congratulations to you all! Keep creating!!

Next Month Join us for a Critique by Fred Gordon

Fred is an artist, fly fisherman, guide, teacher and conservationist living in Dunsmuir. A California native, Fred continues to produce art reflecting his love of the natural world as a testament to living itself.

Fred's fly fishing, fly tying and love of the aquatic has taken him to New Zealand, the remote stretches of Alaska, the Caribbean, Mediterranean and other various destinations. All inspiring his art.

Fred's work has been recognized in numerous prestigious exhibitions, shows, collections and his works reside in the Crocker Art Museum at Sacramento, as well as with private collections.

Please join us for a Critique with Fred Gordon on Sunday, May 17th.

Your SAA Membership Matters

We are a group of Northern California artists who meet regularly to exchange ideas and learn. Our members range from beginning artists to skilled professionals. All you need to join is enthusiasm for visual arts and \$25.

SAA supports local artists by providing critiques and demonstrations at meetings, workshops, and an annual show in late summer. Each year the association also awards a scholarship to a local graduating high school or college art student. SAA has been active in Siskiyou County for more than sixty years.

Our membership is based on the calendar year. Please send in your renewal for 2026 if you haven't had a chance to do that yet. And needless to say, we always welcome new members!
